Mission Log

Name: [name]

Entry: [Random]

It was the year [year], and the trade federation [noun] discovered an ancient ruin site on [planet], a planetary body.

We were sent on a mission to retrieve an artifact from [city]. When we arrived, the city seemed more [adjective] than we thought and as I [verb] towards the artifact I discovered [name] a local plant species.

I took the artifact and the plant species back to the trade federation for examination.
